Dulles Greenway Announces 5th Annual Drive For Charity

(Sterling, VA, 01 April 2010), Toll Road Investors Partnership II, L.P. , (TRIP II) owner of the Dulles Greenway officially announced the fifth Drive For Charity Event to be held on Thursday May 20th. The official countdown to the **DRIVE** begins May 13th at the Kick-Off to be held at Lansdowne.

“This is the fifth year that the Dulles Greenway will donate one day’s tolls to local charities,” noted CFO Tom McKean. “All commuters should use the Greenway that day in an effort to help the local community. It’s not every day that you can say you saved time while supporting local charities. Our goal is to raise more than \$235,000 this year, and with the travelling publics help I think we can get there.”

This year’s charities are:

EchoWorks (www.echoworks.org) – Offers comprehensive, individualized employment, vocational training, and community integration opportunities for persons with disabilities.

Fresh Air/Full Care (www.freshairfullcare.org) – provides licensed day care to children of Loudoun County’s working poor.

March of Dimes (www.marchofdimes.com) - Supports the NICU Family Support Project at INOVA Fairfax Hospital for Children

Loudoun Abused Women’s Shelter (www.lcsj.org) – Provides temporary emergency shelter, food and emotional support to women and their children escaping domestic abuse and violence.

Loudoun Wildlife Conservancy – (www.loudounwildlife.org) – Promotes the preservation and proliferation of healthy wildlife habitats through Loudoun County.

Dulles Greenway Scholarship Program (www.dullesgreenway.com) – Provides scholarships for continued education to Loudoun County Public High School graduates.
