

Greenway's Drive For Charity Raises \$230,000

(Dulles, VA, May 2009) Toll Road Investors Partnership II, L.P., (TRIP II) owner of the Dulles Greenway is pleased to announce that this year's Drive For Charity Event raised more than \$230,000. Adding these funds to the monies raised in the previous three years totals over \$800,000.

This year, TRIP II will donate to Every Citizen Has Opportunities (ECHOWorks), Fresh Air/Full Care, Loudoun Abused Women's Shelter (LAWS), Loudoun Wildlife Conservancy, March of Dimes and the Greenway Scholarship Program.

"TRIP II would like to thank all the motorists that made it possible to exceed our goal this year. TRIP II had hoped to raise \$210,000 and we were elated that \$233,419 was raised. The driving public took the opportunity to *Drive* the Greenway on the day of the event making it possible to donate such a large sum," stated Tom Sines, Chief Executive Officer. "We would also like to take this opportunity to thank our sponsors The Dock @ Lansdowne, Vintage 50, Jerry's Flowers, Ashburn Bagels, and especially WTOP for their support of our event."

This year's event raised 16% more than last year, and TRIP II looks forward to keeping that trend moving forward. "If we can get the same citizen participation next year, then TRIP II can look forward to including more charities in the future," noted Mr. Sines.
