

Tolls to Increase on the Dulles Toll Road

Tolls on the Dulles Toll Road will increase on New Year's Day. Increases to the toll are a part of a long-established plan to fund construction of the Dulles Corridor Metrorail Project. An additional 25 cents has been added to the existing toll at all ramp locations as well as the mainline plaza. When traveling onto the Dulles Toll Road from the Dulles Greenway, 75 cents will be collected for travel onto the Dulles Toll Road. For further information, contact the Metropolitan Washington Airports Authority at <http://www.metwashairports.com/tollroad/929.htm>.
